IMPORTANT NOTICES

CONDITIONS OF SALE

11. All lots are sold subject to these important notices and the conditions of sale set out in the catalogue. Additional copies are available at our auction rooms upon request.
12. These important notices and conditions of sale may be varied by notices posted at the sale at our auction rooms or by announcements made by the auctioneer.
13. These important notices together with the conditions of sale are the legal basis on which you transact for the purchase of goods at our auctions. Please ask one of the Partners of the firm for an explanation of any terms that you do not understand.

LOTS

14. The items sold at our auctions are generally of some age. Accordingly lots are sold on an "as is" basis subject to all faults, imperfections and areas of description. Illustrations and photographs contained in the catalogue or elsewhere of any lots

are for identification purposes only. They may not, of course, reveal the true condition of the lot and a photograph may not reflect an accurate reproduction of any colour of a lot. You are therefore **strongly** advised to examine any lot in which you are interested prior to a sale as it is your responsibility to satisfy yourself as to each and every aspect of the lot.

15. Any lots that were originally operated by mains electricity may not comply with current statutory requirements and as such are offered for a sale solely for display or historical purposes. You should not assume they are suitable for connection to the mains electrical supply and you must ensure that any such items are checked by a qualified electrician before use.
16. Any person who damages a lot will be held liable for the loss caused.
17. Neither we nor the seller are liable for any error or mis-statement in or omission from the description of a lot. Any statement made by or on behalf of us is an expression of opinion and should not be relied upon by bidder or buyer.

ESTIMATES

18. In most cases the estimated selling price of each lot is printed with the lot description. The estimate does not include the buyer's premium (or VAT if applicable). Estimates are prepared in advance of a sale and are not definitive and are subject to revision.

CONDITION REPORTS

19. Where possible we are able to provide a report on the physical condition of most lots. In providing a condition report we are not entering into a contract with you and accordingly assume no responsibility in respect of the report. Neither we nor the seller are liable for any error or mis-statement or omission from the description of a lot contained in a condition report. Any statements contained in our report are expressions of our opinion and are not statements of fact. Such statements do not imply any basis of fact upon which the opinion may be founded. Notwithstanding a condition report we always

strongly urge you to inspect the lot yourself and consult an independent professional restorer, etc., to satisfy yourself as to the condition of a lot. In the event of a successful bid in relation to the lot you will have purchased the lot with no reliance on a condition report.

THE AUCTION

20. Please check the date and the starting time of the sale. You should also check whether there have been any withdrawals or late entries.

AUCTION SPEED

21. Ours sales are conducted at approximately 100 lots an hour. Auction speeds can vary from sale to sale.

22. We reserve the right at our sole discretion without us citing any reason for doing so to refuse admission to our premises or attendance at the sale by any person.

BIDDING

23. You may bid at the sale in person, by telephone as the bidding is taking place (subject to availability) or by placing an absentee bid by post or fax or by your own appointed agent. Such absentee bids are made at your own risk and we cannot accept liability for our failure to receive and or place any such bids. All bids made on your behalf will be made at the lowest level possible subject to reserves and other bids made for the lot. Please see further details below for specific conditions relating to placing of bids.
24. **All persons wishing to bid must be registered with us at each sale before doing so.** We may ask to see proof of identity in order to register you as a bidder. Please bring either passport, driving licence or similar proof of identity and a credit or debit card. If you are unable to provide satisfactory proof of identity and residence we may request a deposit before allowing you to bid.

BIDDING IN PERSON

25. Please come to our offices to fill out a Bidder Registration Form. To avoid any delay we recommend that you carry this out on viewing days prior to the day of the sale or

at any time before the sale. You will be issued with a card with a number on it (paddle). **This will be attributed to you for the purposes of the sale. A bid made with your paddle is treated as a bid made by you and you should ensure safe keeping of your paddle at all times during the sale and viewing.** If you are the successful bidder please ensure that your number is clearly seen by the auctioneer. You should not let anyone else use your paddle as all lots will be invoiced to the name and address given on your registration form. Once an invoice is issued it cannot be changed. **Please at the end of the sale or when you have finished bidding return your paddle to the desk.**

BIDDING BY TELEPHONE

26. If you wish to bid at the sale by telephone then please complete a Bidder Registration Form available from our offices. Please ensure this is returned to our office at least 24 hours in advance of the sale. Telephone bidding facilities is a discretionary service and may not be available in relation to all lots.

BIDDING BY POST OR FAX

27. Absentee Bidding Forms can be completed and sent to our office. It is in your interest to return the form as soon as possible as if two or more bidders submit identical bids for a lot the first bid received takes preference. Please check your bidding form carefully before returning it to us fully completed and signed by you. It is your responsibility to check at our office that your bids have been received.

BIDDING THROUGH AN AGENT

28. Please let us know if you are acting on behalf of another person when bidding for lots in the sale. Equally please let us know if you intend to nominate another person to bid on your behalf at a sale. If we have not approved the agency arrangements before the sale we are entitled to assume that the person bidding at the sale is bidding on his own behalf. Accordingly the bidder will be the buyer and will be liable to pay the hammer price and buyer's premium and associated charges. If we approve the identity of your client in advance we will be in a position to address the invoice to your principle rather than you.

PAYMENT – BUYERS PREMIUM

29. A premium is payable by you to us if you successfully bid for a lot your liability for which occurs at the fall of the hammer. It will be calculated by reference to the hammer price of the lot and is charged in addition to the hammer price. VAT is payable on the premium.
30. The level of buyer's premium for particular sale will be published in the catalogue and displayed by notices in the auction room.
